

President's Palette

By Marti Dunn

*"Friendship isn't about who you've known the longest. It's about who walked into your life, said "I'm here for you" and proved it."
—Unknown*

I'd like to think that all of us in the Art League consider each other a friend. We have walked into each other's lives through our love of art, giving support and advice. Life may take us elsewhere, but our memories and what we have learned and the stories we have shared through our friendship will always be with us.

Thank you so much for trusting me to hold the position of President this past year. It will remain a time in my life I'll always remember.

Have a wonderful summer!

Marti
